

Post-9/11 U.S. Armed Forces Memorial *at Patriot Park*

FIELD TRIP INFORMATION

Patriot Park serves as a living classroom, offering powerful educational experiences that connect students and visitors to stories of service, sacrifice, and patriotism. Schools from surrounding counties, states, and beyond visit the park for field trips, giving students a meaningful opportunity to learn about American history, military service, and the importance of honoring those who protect our freedoms. Through guided tours and hands-on learning experiences, young visitors gain a deeper appreciation for the values of courage, duty, and unity.

Each year, thousands of visitors walk the grounds of Patriot Park, engaging with its memorial displays and discovering the profound impact of those who have served our nation. Educators and families alike find it to be a place where history comes alive — inspiring reflection, gratitude, and civic pride. By sharing these lessons with new generations, Patriot Park ensures that the stories of America's heroes continue to educate and inspire patriotism.

Planning your field trip is simple!

We will have a guide on site to engage with your group!

Our Curriculum

We have created interactive activities for lessons before your visit, and for during your visit. The curriculum was designed in general for grades 6-12, so please feel free to adjust any of the activities and lessons to fit your students' needs and your own objectives! The curriculum is available as a free download from our website, under the "Learn" tab. Additionally, there are educational activities that can be used in conjunction with the curriculum or as stand-alone material to enrich the visitor experience. These activities were created with teachers, students, families, and home school groups in mind, so they are user-friendly and easy for any young visitors to use. The following files are available:

Remember ★ Honor ★ Inspire

Located within the northern boundary of the Flight 93 National Memorial, this site holds deep historical and emotional significance. It rests on the very ground beneath the skies where the heroes of United Airlines Flight 93 fought bravely on that fateful day. Their courage and sacrifice continue to inspire generations of Americans — especially the young men and women who have answered the call to serve in our Armed Forces.

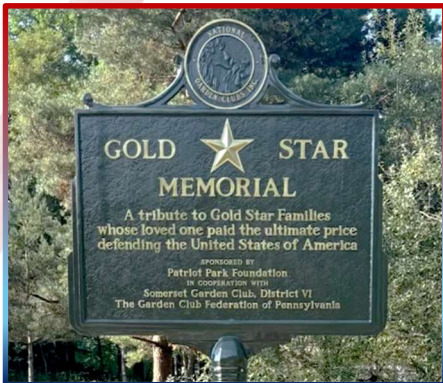

PARK FEATURES

The **Field of Heroes Flag Display** features more than 7,000 American flags — each one honoring a brave member of the U.S. Armed Forces who made the ultimate sacrifice in service to our nation since 9/11. Together, these flags stand as a powerful tribute to their courage and dedication, and the freedom they fought to protect.

Names of the Fallen Display- The names and information on each of the over 7000 fallen heroes.

Inspiration Plaza- Features storyboards that recount for visitors the heroism and sacrifice of our post-9/11 service men and women and their families.

Gold Star Memorial- A National Garden Clubs, Inc. tribute to Gold Star Families whose loved ones paid the ultimate price defending the United States of America. It was constructed in 2024.

Our Mission

Remember the Fallen.

Honor all who served.

Inspire patriotism in all who visit.

The **Field of Heroes Flag Display**, although originally envisioned as a temporary display, has been so well received by visitors that our Board decided it must become a permanent year-round feature at the park. Plans are underway for:

- Completion of **Inspiration Plaza**, a permanent memorial bearing the **Names of the Fallen** and a chronological history of the Global War on Terrorism.
- A **Visitor Center** with interactive displays, exhibits, classrooms, and a theater.
